

## Standard Color Selections

### SANDSTONE-TEXTURED FRP

Special-Lite's exclusive, fine-grained "Sandstone" textured Fiberglass Reinforced Polyester (FRP) exterior-grade face sheets are available in nine standard through-molded colors. Face sheets can also be painted to match any of our 20 established Kynar 500® colors, or any custom color.

Color selections are subject to change without notice.

***These color charts are intended for general reference only.***

Final decisions should be made from actual material samples, which can be ordered directly from our website by using our online order form at [www.speciallite.com](http://www.speciallite.com).
