Special-Lite®

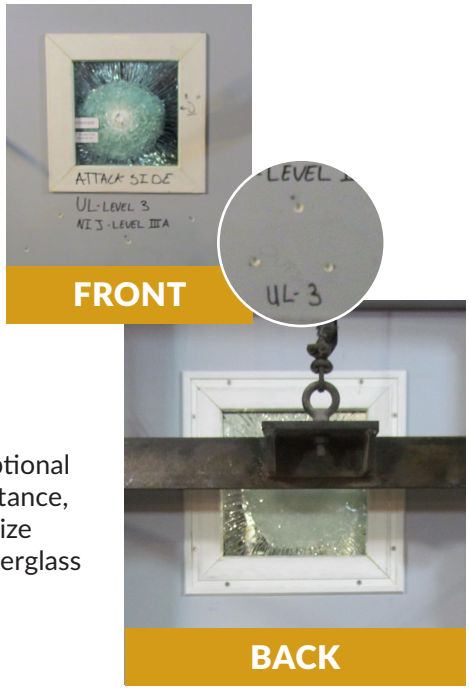

BULLET-RESISTANT PRODUCTS

We've built a reputation for doors that survive for decades, even in the toughest applications. Special-Lite® Bullet Resistant Products combine easy maintenance, corrosion resistance, and versatility to help solve the ever-increasing need for bullet-resistant security in a variety of applications.

bullet-resistant solutions

ELEVATED PROTECTION

We understand the importance of protection without sacrificing style and ease of maintenance. Special-Lite® Bullet-Resistant Products offer dependable bullet-resistant security for schools, colleges, military facilities, government buildings, banks, and public buildings. We're known for building some of the most durable door and frame solutions on the market, and we bring that same engineering expertise to our bullet-resistant solutions.

Our Fiberglass Bullet-Resistant Doors safeguard your space while offering exceptional longevity and customization. Our FRP face sheets add durability, corrosion resistance, and a canvas for personalized texture and color choices, allowing you to harmonize security with aesthetics. Complete your opening with tough Bullet-Resistant Fiberglass Framing, Bullet-Resistant Glazing, and more—all from one source.

Bullet Resistance

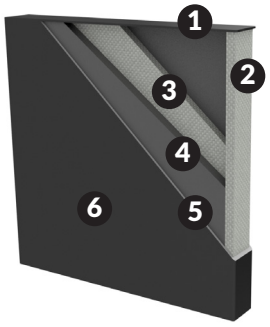

Our ballistic products are independent lab tested:

- ANSI/UL-752, Level 3
- NIJ-STD-0108.01, Level 3A

Rated Configurations

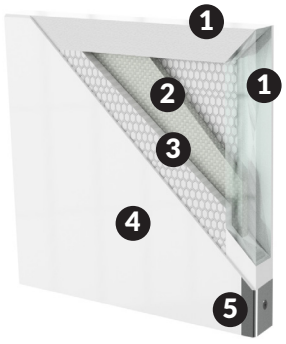

Rated configurations include single swing doors and standard pairs with frames. Custom configurations, sidelites, and borrowed lites are available with engineering review. See Configuration Worksheet for additional details.

Pultruded BR3 Fiberglass Door Construction

1. 3/32" FRP top and bottom edge reinforcement
2. Pultruded fiberglass rails with bullet-resistant reinforcement
3. Ballistic fiberglass panel
4. High density closed-cell polyethylene foam core
5. Fiberglass/resin shell
6. Smooth polyurethane industrial coating finish

Composite BR3 Fiberglass Door Construction

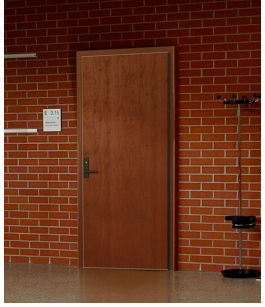

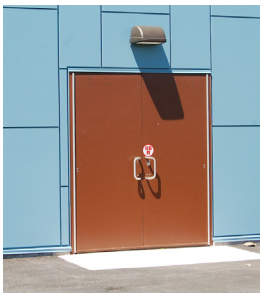

1. Ballistic fiberglass stiles and rails with mitered corners
2. Ballistic fiberglass panel
3. Polypropylene honeycomb
4. Factory bonded face sheet—with your choice of FRP textures
5. Stainless-steel edge capping

What sets Special-Lite® Bullet-Resistant Products apart?

- Complete opening solutions from one source, including bullet-resistant doors, frames, approved hardware, and accessories.
- Resistant to moisture and chemicals for reliable performance in corrosive environments.
- Durable and virtually maintenance-free solutions for bullet-resistant security.
- Hygienic design won't harbor bacteria or mold; USDA and FDA cGMP compliant.
- Customization options including standard and custom colors and a variety of accessories.
- We stand behind our doors and frames with a 10-Year Warranty and a Limited Lifetime Warranty against corrosion and more.

APPLICATIONS

- K-12 Education
- Colleges and Universities
- Banks and Credit Unions
- Government Buildings
- Public Safety Complexes
- Municipal Buildings
- Military Facilities
- Airports

Choose Your Bullet-Resistant Door:

AF-100BR3

Smooth Pultruded BR Fiberglass Door
Our fully pultruded bullet-resistant fiberglass door is finished with a high-quality industrial coating in several standard colors, any custom color, or prime-only.

AF-200BR3

Smooth Composite BR Fiberglass Door
Our Smooth FRP-faced bullet-resistant door is finished with a high-quality industrial coating in several standard colors or any custom color.

AF-217BR3

Pebble Grain BR Fiberglass Door
Our most durable door face, SpecLite 3® Pebble Grain FRP with through color is resistant to damage and graffiti. It is easy to clean with just soapy water.

AF-220BR3

Sandstone Texture BR Fiberglass Door
Sandstone Texture FRP provides a fine-grain appearance that is easy to clean. Available in several through-color finish options, or can be painted a color of your choice.

AF-219BR3

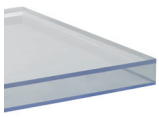

Rustic Wood Grain BR Fiberglass Door
Authentic oak wood grain look with deep, defined texture for the aesthetics of wood, plus enhanced durability. Available with a stained or painted finish; choose from standard or custom color options.

AF-219-1BR3

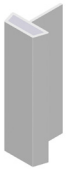

Contemporary Wood Grain BR Fiberglass Door
Realistic cherry wood grain with a smoother texture than Rustic Wood Grain. Available with a stained or painted finish; standard and custom color options.

Complete Your Bullet-Resistant Opening:

AF-BR3

BR Glazing and Panels
We offer various glazing options for your lite kit that meet our bullet-resistance ratings. BR Panels are available for lite kit configurations.

AF-BR3

BR Fiberglass T-Astragal
Designed to cover the clearance gap between door pairs, it acts as a weather seal and increases security by reducing an intruder's ability to force open the doors.

AF-BR3

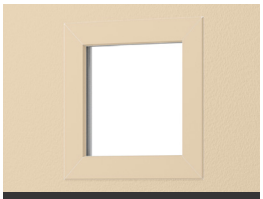

BR Fiberglass Mullion
Provides additional durability, security, and hardware compatibility for double doors.

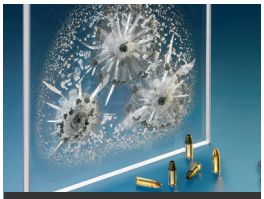

AF-150BR3

BR Fiberglass Framing
Ultra-tough framing with ballistic infill ensures a complete bullet-resistant opening. Finished with a high-quality industrial coating in a number of standard colors or any custom color.

Further Customize your Bullet-Resistant System with a range of options, including:

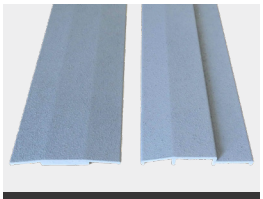

Fiberglass Vision Lite Kits

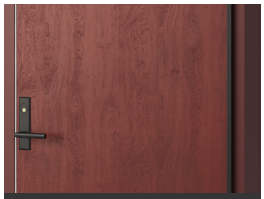

Bullet-Resistant Glazing

Heavy-Duty Continuous Gear Hinges

Fiberglass Thresholds

Custom Colors or Realistic Wood Grain Stain
