Special-Lite®

Specifying Made Simple

Resources for A&D Professionals

At Special-Lite, we understand the unique challenges that architects and designers face — from demanding performance requirements to tight deadlines. That's why we make it easy to access the resources, tools, and support you need to specify with confidence.

Whether you're designing for education, healthcare, commercial, or other environments that require high-performance, our team and products are just a click away.

Special-Lite Resource Center

- Easily Filter and Compare Products
- Detailed Product Information
- CAD Files, Specifications, Color Selections, and More!
- Submittal Generator
