

## Standard Color Selections (Legacy Universal Pultrusion Colors)

Ten standard color choices are available for the high-gloss polyurethane finish on AF-100 Pultruded Doors, AF-200 Composite Doors, AF-150 and AF-250 Pultruded Frames. Custom color matches are also available. Contact Special-Lite for details.

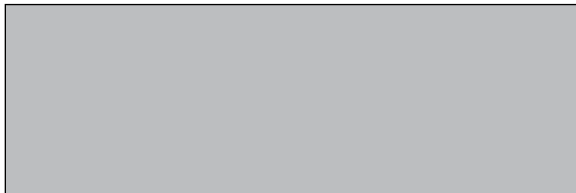

*Note: All finishes are two-part aliphatic polyurethane industrial coatings containing lead-free pigments, meeting USDA qualifications for incidental food contact, and the NFPA Class A standard.*
