

RUSTIC WOOD GRAIN STAIN COLORS

Rustic Wood Grain FRP Finish Options

Rustic Wood Grain FRP face sheets are available in six natural wood stain finishes providing the warmth of wood without the work.

All of these natural wood stain finishes are available with flush or 6-panel colonial-style face sheets. Rustic Wood Grain FRP facesheets can also be painted to match our 20 established Kynar® paint colors, or any custom color.

Matching Painted Finishes Option

Our aluminum vision lite kits, stiles, and rails can be specified in Kynar® paint colors that match any of our six natural wood stain finishes for an inviting, color-matched entrance.

Color selections are subject to change without notice. These color charts are intended for general reference only. Every effort has been made to accurately reproduce finish colors and textures. Due to the limitations of photography and lithography processes, slight variations may occur. Final decisions should be made from material samples, which can be ordered directly from our website.
