# Design Options that Set Your Building Apart

Restaurant doors are an integral part of first impressions. Special-Lite offers nearly infinite custom options to support your unique branding with products made to endure everything a busy restaurant throws at them.

## Made to Order, Made to Last

We're known for durability, ease of maintenance, energy efficiency, and design flexibility. We take pride in crafting custom solutions for restaurants, from helping solve back door and bathroom abuse issues to providing a welcoming front entrance that can endure decades of dinner rush. We collaborate with architects, contractors, and facility professionals to develop and deliver the perfect solution for each project, coordinating with any architectural style, from historic restoration and re-purposing, to modern, new construction projects.

## Better Materials & Better Design

for every part of your building

### Pultruded Fiberglass Doors & Frames

#### Smooth Painted

Special-Lite makes the only pultruded, completely sealed heavy-duty fiberglass door, featuring a closed cell foam core. Great for high-moisture and corrosive areas. Complete with ultra-tough fiberglass framing, thresholds, applied moulding, and more.

### Composite Fiberglass Doors

#### Smooth Painted | Pebble Grain | Sandstone | Rustic Wood Grain | Contemporary Wood Grain

Constructed with pultruded fiberglass stiles and rails and bonded FRP face sheets, with EPS foam or plastic honeycomb core. Lightweight and economical.

### Aluminum Stile & Rail Doors and Aluminum Framing Systems

Our heavy-duty Monumental Aluminum Doors are designed for high-traffic entrances. We also offer Aluminum Frame Systems, both exterior and interior, and interior swing and sliding door systems.

### Bathroom Partitions and Toilet Stall Doors

Use graffiti-resistant Bathroom Partitions based on our best-selling foam injected door technology. For walled compartments, we offer reduced-height, closed top rail 1 3/4" Shower & Toilet Stall Doors.

### Customize with Louvers, Bi-Fold Windows, Vandal Screens, and More

Customize your door system with Lite Kit and Louver options, Bi-Fold Window Units with screen, Vandal Screens and Security Grates, Removable Mullions, Adjustable Bottom Brush, Recessed Pulls, and more!

### Hybrid FRP Doors

#### Pebble Grain | Sandstone | 6-Panel Wood Grain | Rustic Wood Grain | Contemporary Wood Grain

Secure and extremely durable: Heavy-duty yet lightweight FRP-faced door with aluminum stiles and rails, rugged tie rod construction, and injected high-density closed-cell foam core.

### Aluminum Flush Doors

#### Smooth | Fluted | Embossed | Stainless Steel

Versatile, heavy-duty yet lightweight aluminum-faced door with aluminum stiles and rails, tie rod construction, and injected high-density closed-cell foam core. Stainless Steel door face also available.

### Hybrid FRP Double-Acting Traffic Doors

#### Pebble Grain | Sandstone | Rustic Wood Grain | Contemporary Wood Grain

Designed for reliability and superior moisture and corrosion resistance in high-traffic openings, without excessive weight. Our variety of FRP face sheet options are durable and easily cleaned.

### Aluminum Double-Acting Traffic Doors

#### Smooth | Fluted | Embossed | Stainless Steel

Our aluminum- and stainless steel-faced traffic doors provide a sleek yet robust solution that is easy to clean. The door panel features our waterproof, high-density foam-injected core for lightweight strength and durability.
