RE: Buy American Program Compliance

This letter is to certify that products manufactured for delivery will comply with the "Buy American" program.

Special-Lite, Inc. guarantees that all aluminum, fiberglass, and manufactured goods are produced in the United States, and further:

1. The final products under bid are manufactured in the United States -- Special-Lite is manufacturing its entrance systems at our US located facilities in Decatur, MI and Benton Harbor, MI;

Per "The American Recovery and Reinvestment Act of 2009" Title XVI, Section 1605 (Public Law 111-5). "A manufactured good is a good brought to the construction site for incorporation into the building or work that has been processed into a specific form and shape; or combined with another raw material to create a material that has different properties than the properties of the individual raw materials."

(See 2 CFR 176.140(a) (1)). There is no requirement with regard to the origin of components or subcomponents in manufactured goods used in a project, as long as the manufacturing occurs in the United States. ** Reinvestment Act (Title XVI, Section 1605) **

2. The cost of domestic components exceeds 50 percent of the cost of all the components used in the product under bid;
3. Special-Lite, Inc. is a small business concern and provisions of "Buy American" program applicable to small business are taken into consideration; and
4. If any Non-availability exists in the United States of articles, materials, or supplies of the class or kind to be acquired, either as end items or components used in products under bid, as specified in "Buy American" program - Special-Lite will use foreign material or components in manufacturing products under bid.
