

Rustic Wood Grain Hybrid FRP Doors (SL-19) with locally-sourced decorative metal panels.

Solutions for Retail Facilities

Modern, Low-Maintenance Doors, Frames, and More For Retail Spaces, Shopping Centers, and Commercial Developments.

Our doors, frames, and bathroom partitions are crafted for the dynamic environment of retail, offering a blend of contemporary design, durability, and minimal maintenance. Special-Lite is your go-to solution, providing reliable, beautiful door systems, and bathroom partitions that stand up to the rigors of high-traffic retail environments. Elevate your retail space today with lasting quality and style to help ensure a positive experience for everyone.

Retail Facility Challenges

Doors, frames, and bathroom partitions in retail facilities encounter specific challenges associated with the bustling nature of shopping environments and diversity of retailer needs:

1. **High Traffic:** High customer foot traffic contributes to wear and tear, impacting door and frame longevity and functionality.
2. **Security:** You must balance accessibility with the need for secure premises to safeguard merchandise and people.
3. **Low Maintenance:** In the fast-paced retail industry, low-maintenance solutions are crucial to minimize disruptions and ensure a pleasant shopping experience.
4. **Weather Resistance:** Exterior entrances must endure exposure to various weather conditions, requiring materials that resist corrosion and damage, and weathering options to seal the opening.
5. **Customization:** Retailers may have specific branding and design requirements. Products should be customizable to match the unique style and aesthetic appeal of each retail space.

Choose Solutions Tailored to Your Store

These challenges underscore the necessity of selecting high-quality doors, frames, and bathroom partitions designed specifically for retail facilities. Collaborate with experts who understand the unique challenges of the retail sector to ensure that the chosen products offer reliability, security, and durability while meeting aesthetic and maintenance requirements.

Aluminum Monumental Doors (SL-15) in a Swing-Open Storefront Frame Unit with unique bi-fold functionality.

Graffiti-Resistant SpecLite 3® FRP Bathroom Partitions

Doors, Frames, and Bathroom Partitions for Retail Spaces

Our partitions, doors, and frames are expertly crafted to endure the demands of high-traffic environments, making them an ideal choice for retail settings. Whether you need durable storefront doors, resilient back doors, or a versatile solution, we have innovative products tailored to accommodate special retail needs, our range of products ensures your space is both functional and visually appealing.

10 Reasons to Choose Special-Lite:

- Durability:** Our products are engineered to withstand heavy use and potential impacts, ensuring longevity even in high-traffic areas. Limited downtime contributes to a seamless experience for your customers and employees.
- Low Maintenance:** FRP and aluminum are resistant to scratches, dents, and other damage. Maintain a rust-free appearance without painting.
- Security:** Select doors that enhance the security of your retail space, deterring theft and ensuring the safety of your merchandise by resisting impacts, vandalism, and break-ins.
- Weather Resistance:** Our exterior doors resist the elements to remain rust-free and have excellent thermal performance. Integrated weathering options and an exclusive Adjustable Bottom Brush are available.
- Graffiti Resistance:** Our SpecLite 3® FRP doors and bathroom partitions are graffiti-resistant, helping to ensure a clean and appealing restroom or exit door.
- Visual Appeal:** Our products help create an inviting experience for your customers, contributing to the ambiance of your store.
- Exclusive Solutions:** From oversized doors and curving, to our Swing Open Storefront Frame unit, to our SpecLite 3® FRP Bathroom Partitions– Special-Lite has unique solutions for challenges from graffiti to moving large objects like boats!
- Customization:** Tailor our products to match your retail space's unique branding and design requirements with a range of configurations, colors, finishes, and hardware options.
- One Source Simplicity:** Enjoy the convenience, reliability, and performance advantages of having your doors, frames, hardware, and more supplied by a single source.
- Warranty:** Experience peace of mind with our no-hassle warranties. We stand behind our products!
