

# Healthcare

## *Comprehensive Solutions*

---

**Durable Doors, Framing,  
Sliding Door Systems, & More**

Low-maintenance, customizable solutions that not only stand the test of time but also contribute to the safety, hygiene, and welcoming atmosphere of your care facility.

# Enduring Environments for Healthcare Facilities

Special-Lite has a long-standing reputation for building some of the most durable door and frame systems on the market. We built our reputation with door and frame solutions that overcome maintenance challenges and remain reliable for decades in some of the most challenging commercial and institutional environments.

## Resilient, Reliable, and Secure

We specialize in crafting door systems, bathroom partitions, and more with lasting value that stand up to many years of use in moderate and high-traffic areas. Beyond extremely durable and low-maintenance options, we have security door solutions for building entry points and other areas where security is a concern.

## Considerations for Care Spaces

When cleanliness and sanitation are paramount, Special-Lite helps elevate your facility's design with tailored solutions that prioritize hygiene and ease of maintenance, while supporting aesthetics.

- **Infection Control:** Enhance cleanliness with surfaces that won't harbor bacteria and facilitate easy cleaning.
- **Durability:** Our products withstand the demands of healthcare environments with long-lasting performance even in high-traffic areas.
- **ADA Compliance:** Ensure ADA compliance with selections for swing and sliding doors, hardware, and bathroom partitions.
- **Confidentiality and Privacy:** Protect privacy with vision panels with operable internal blinds and acoustic and privacy indicator upgrades for sliding door systems.
- **Patient and Staff Experience:** Prioritizing ease of cleaning, functionality, and accessibility help ensure a positive experience for all.
- **Aesthetic Integration:** From realistic wood grain finishes to customizable colors, our solutions blend seamlessly into the overall building design.

## Better Materials & Better Design *for your most challenging areas*

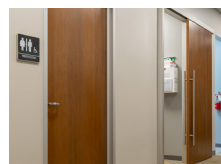

Add an additional layer of security with our Concealed Card Reader Prep option for Hybrid FRP Doors.

### Pultruded Fiberglass Doors & Frames

#### Smooth Painted

Special-Lite makes the only fully pultruded, completely sealed heavy-duty fiberglass door panel, featuring a closed cell foam core. Ideal for high moisture areas and sterile environments like cleanrooms. Pair with ultra-tough fiberglass framing, flush vision panels, and more.

### Composite Fiberglass Doors

#### Smooth Painted | Pebble Grain | Sandstone Rustic Wood Grain | Contemporary Wood Grain

Constructed with pultruded fiberglass stiles and rails and bonded FRP face sheets with plastic honeycomb or EPS foam core. Completely sealed, easy-to-clean design; A lightweight and economical option.

### Aluminum Stile & Rail Doors and Aluminum Framing Systems

Experience the many benefits of aluminum, from enduring entrances with heavy-duty Monumental Aluminum Doors and Aluminum Framing Systems, to waiting areas and offices with Glass Partition Wall systems and Interior Aluminum Framed Glass Doors.

### Interior Sliding Door Systems

Sliding Door Systems reduce the space requirements of door openings, providing more valuable square footage for offices, consultation rooms, and more. We take Sliding Door Systems to the next level with added durability, ease of installation, door and hardware selections, and more customization options.

### Bathroom Partitions and Shower & Bathroom Stall Doors

Try the SpecLite 3® FRP Bathroom Partitions based on our best-selling foam-injected door technology for your toilet, shower, and changing stalls. We offer Shower & Bathroom Stall Doors with frame and hinge options for walled shower and toilet compartments.

### Hybrid FRP Doors

#### Pebble Grain | Sandstone | 6-Panel Wood Grain Rustic Wood Grain | Contemporary Wood Grain

Our most durable doors for high traffic locations. Heavy-duty yet lightweight FRP-faced doors with aluminum stiles and rails, rugged tie rod construction, and injected high-density closed-cell foam core.

### Aluminum Flush Doors

#### Smooth | Fluted | Embossed

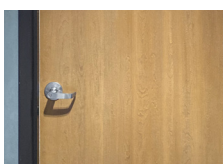

With versatility from sterile interiors to elegant entrances, this heavy-duty yet lightweight aluminum-faced door has aluminum stiles and rails, tie rod construction, and an injected high-density closed-cell foam core. A Stainless Steel door face is also available.

### Fire-Rated FRP Doors

#### Smooth Painted | Pebble Grain | Sandstone Rustic Wood Grain | Contemporary Wood Grain

Enhance your building's design by selecting durable coordinating Fire-Rated FRP Doors in your choice of textures, including two realistic wood grain options!
