

SPECLITE 3® PEBBLE GRAIN FRP FINISHES

Explore color options for the ultimate durable, easy to clean, and even graffiti-resistant surface. SpecLite 3 FRP has a unique surface treatment that is up to 10x more cleanable, 6x more stain resistant, and 2x more abrasion resistant compared to ordinary FRP.

Standard Pebble Grain FRP Finishes

Choose a low-maintenance, durable SpecLite 3 Pebble Grain FRP finish. These FRP through color face sheets are durable, graffiti resistant, and corrosion resistant. No painting or repainting is required, and FRP will not rust or rot. SpecLite 3 FRP has an exclusive surface treatment that makes it easier to clean and more resistant to surface damage.

Special-Lite offers various Pebble Grain finishes which can be coordinated with our Sandstone Texture through-color FRP, as well as our Paint Colors. Door edges and FRP lite kits can be painted to match the face sheet color if desired.

Finish Samples

Finish samples are available in the colors shown. To order samples, scan the QR code on the back of this brochure.

Custom SpecLite 3 Pebble Grain FRP Finishes

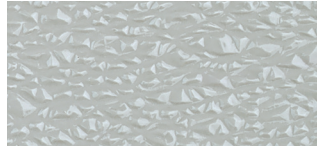

We can create custom through-color FRP to match Special-Lite colors not listed or another custom color of your choice for orders of 250 doors or more. Pebble Grain FRP face sheets can also be painted, please refer to our Painted Finishes Brochure for standard paint color selections and custom paint color information.
