

INTERIOR DOORS & FRAMES

Special-Lite® Interior Doors and Frames offer a wide range of doors paired with durable aluminum and fiberglass framing to create coordinated interior openings. Numerous finishes and accessories deliver extensive design flexibility. Simplify projects with a single source for doors, frames, and hardware.

commercial interior doors & frames

BUILT TO LAST

We've built a reputation for providing reliable and durable solutions for education, healthcare, hotel, office, restaurant, and retail environments.

Special-Lite® Door and Frame Systems are engineered to provide durability in commercial environments and designed to coordinate with your building's aesthetics.

Our solutions will not rust, are easy to clean, and are extremely low maintenance. Our products are ideal for environments such as kitchens and restrooms—but also shine in spaces where finishes and textures set the look and feel of a space.

Design Matters

You don't have to choose between aesthetics and utility. Our Door and Frame Systems allow you to create a product unique to your facility. Meet your design and performance needs with multiple door and frame options, standard and custom finishes, hardware, accessories, and more.

What sets Special-Lite Interior Doors and Frames apart?

- **Durability:** Engineered for long-lasting performance in commercial interior environments while remaining easy to maintain.
- **Prefinished and Ready to Install:** Durable factory-applied finishes for doors and frames eliminate field finishing and help ensure a consistent, professional appearance.
- **Design Flexibility:** Choose from a wide range of door materials, finishes, vision lites, louvers, and hardware to create openings that meet both aesthetic and performance requirements.
- **Frame Options:** Choose from durable aluminum and fiberglass frame systems that accommodate a wide range of jamb depths and installation conditions.
- **Ease of Installation:** Designed and packaged for efficient installation with BILT interactive instructions, detailed PDF guides, and responsive technical support.
- **Single Source Simplicity:** Enjoy the convenience, reliability, and performance advantages of sourcing your doors, frames, and hardware from one manufacturer.

Aluminum and Fiberglass Door Frame Options

Choose from a variety of frame profiles and options that are durable, customizable—and best of all, rust and corrosion resistant.

- Pultruded Fiberglass Frames
