

Data Center

Solutions Made to Order

Durable Doors, Frames, Glass Partition Walls & More

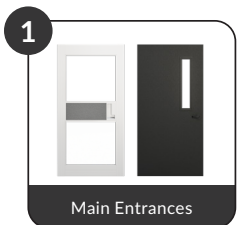

The right door and framing system plays a direct role in uptime, energy performance, lifecycle cost, and operational security. From mechanical rooms and electrical spaces to NOCs, SOCs, offices, and equipment galleries, Special-Lite® provides durable, thermally stable, corrosion-resistant solutions built for 24/7/365 operation.

Engineered Solutions for Mission-Critical Facilities

Maintain the integrity and uptime of your facility with Special-Lite® Doors and Frames. Data centers demand resilient, thermally efficient, and impact-resistant opening systems that perform reliably in mechanical rooms, equipment corridors, NOCs/SOCs, and exterior zones.

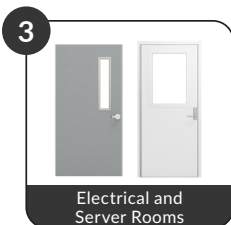

We offer solutions for these areas and more:

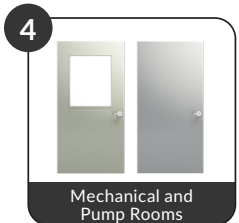

Main Entrances

Interior Doors and Glass Partitions

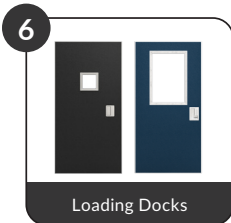

Electrical and Server Rooms

Mechanical and Pump Rooms

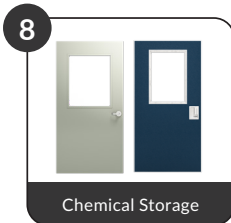

Bathroom Doors and Partitions

- Main Entrance

Better Materials & Better Design

for every part of your facility

Pebble Grain Hybrid FRP Door (SL-17)

Pultruded Fiberglass Doors & Frames

Smooth Painted

Special-Lite makes the only pultruded, completely sealed heavy-duty fiberglass door, featuring a closed cell foam core. Great for high-moisture and corrosive areas. Complete with ultra-tough fiberglass framing, thresholds, applied moulding, and more.

Composite Fiberglass Doors

Smooth Painted | Pebble Grain | Sandstone | Rustic Wood Grain | Contemporary Wood Grain

Constructed with pultruded fiberglass stiles and rails and bonded FRP face sheets, with EPS foam or a plastic honeycomb core. Lightweight and economical.

Aluminum Stile & Rail Doors and Aluminum Framing Systems

Heavy-duty Monumental Aluminum Doors and Aluminum Framing Systems, specialty options for more thermal efficiency and security.

Hybrid FRP Doors

Pebble Grain | Sandstone | 6-Panel Wood Grain | Rustic Wood Grain | Contemporary Wood Grain

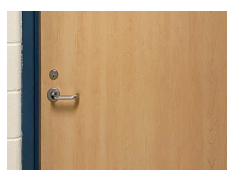

Secure and extremely durable: Heavy-duty yet lightweight FRP-faced door with aluminum stiles and rails, rugged tie rod construction, and injected high-density closed-cell foam core.

Aluminum Flush Doors

Smooth | Fluted | Embossed | Stainless Steel

Versatile, heavy-duty yet lightweight aluminum-faced door with aluminum stiles and rails, tie rod construction, and injected high-density closed-cell foam core. Stainless Steel door face also available.

Fire-Rated FRP Doors

Smooth Painted | Pebble Grain | Sandstone | Rustic Wood Grain | Contemporary Wood Grain

Enhance your building's design by selecting durable coordinating Fire-Rated FRP Doors in your choice of textures, including realistic wood grain!

Oversized Doors

Just as reliable oversized, most of our door models can be made much larger to fit any entrance needs that call for taller or wider widths. Monorail cutouts and other custom options are available.

Glass Partition Walls & Sliding Door Systems

Designed to maximize space and allow for natural light to enhance your facility. Glass walls create defined private areas while helping to maintain a more open floor plan.

Customize with Louvers, Bi-Fold Windows, Vandal Screens, and More

Customize your door system with Lite Kit and Louver options, Bi-Fold Window Units with screen, Vandal Screens and Security Grates, Removable Mullions, Adjustable Bottom Brush, Recessed Pulls, and more!

Protect your equipment and facilities further with our Specialty Rated Products:

Forced Entry Resistant

Impact Rated

Bullet Resistant

Blast Resistant

Fire Rated

Smoke & Draft Control

Thermally Efficient

Why Choose Special-Lite?

Over 50 years of experience manufacturing high-performance doors & frames

We've built a reputation for doors that survive for decades in even the toughest applications—becoming a trusted manufacturer for durable doors, frames, and more.

Complete entrances & more from a single source

Enjoy the convenience, reliability, and performance advantages of having complete entrance systems, interior doors, frames, and bathroom partitions supplied by a single source.

Simplify installation with factory-applied hardware

Doors are prepped for the hardware you select and many models are available with hardware installed. Factory-installed hardware not only fits better, but installation is warranted not to come loose under normal usage for a full 10 years.

Exceptional customer support

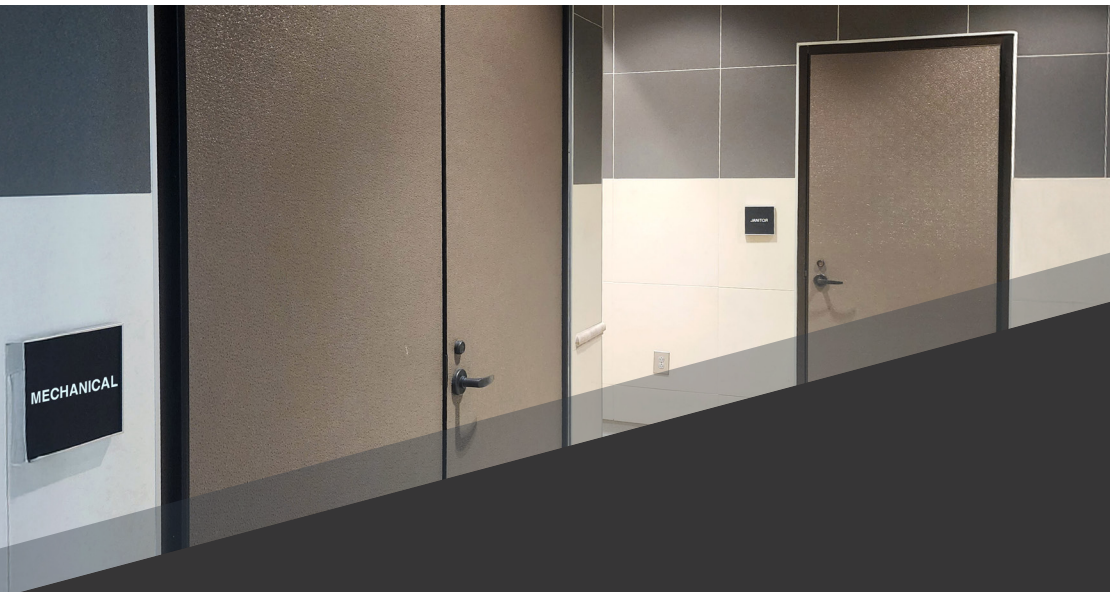

Our dedicated team is here for you from purchase through installation and beyond. We offer installation support, training, and responsive post-sale support. We stand behind our products with simple warranties that work.

Contact your local Special-Lite Representative to learn more about solutions for your facility!
